Dear Representative Cramer:

On behalf of our six million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is proud to endorse your candidacy for U.S. Senate in North Dakota in the November 6, 2018 election.

Thank you for standing strong for law-abiding gun owners in North Dakota and across the country. Based on your consistent and proven voting record on Second Amendment issues in the U.S. House of Representatives, you have earned an "A" rating from NRA-PVF for this election. An "A" rating is reserved for a solidly pro-gun legislator who has supported NRA positions on key votes and issues.

NRA members and Second Amendment supporters appreciate your commitment to support pro-Second Amendment nominees to the U.S. Supreme Court. Protecting a pro-Second Amendment majority on the Supreme Court is critical to our right to self-defense and constitutional freedoms.

We also commend your vote for the Concealed Carry Reciprocity Act, which is the strongest piece of self-defense legislation to ever come before Congress. This important bill would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit it.

In addition, we applaud your votes to strike down an Obama-era regulation that stripped Social Security recipients of their Second Amendment rights without due process, and for legislation to protect veterans' Second Amendment rights. Further, you voted for the Sportsmen's Heritage and Recreational Enhancement Act, a bill that would benefit sportsmen throughout North Dakota and the country.

Finally, your dedication to protecting our right to keep and bear arms is demonstrated by your opposition to the Schumer/Pelosi/Bloomberg gun control agenda of banning guns, ammunition, magazines, and creating a so-called "universal" background check system that would criminalize the private transfer of firearms, which, according to the Obama Department of Justice, is only enforceable through federal firearms registration.

Congratulations on your "A" rating and endorsement, and thank you for your steadfast support of the Second Amendment. Good luck with your campaign, and we look forward to our continued relationship.

Sincerely,

Chris W. Cox
